MYSTERY-O

Respect park hours & private property.
Install & run app: https://usynligo.no
Go to event start, use map & compass.
Try to avoid using GPS hints on app.
Visit up to 12 stages to solve mystery:
Locate mapped feature for final stage!
(It's a small camo container under rock.)
No other stage has a hidden object.
There's no time limit, or order for stages.
App alerts at each stage, but NOT final.
Not all stages must be visited to solve.
Image on app shows symbol for final.
Bits of image appear at each stage.
Image gives 4-digit address for final:
Letter, number & letter, number.
(100m square & 10 m square.)
See A0 for scale 10m grid layout.
Plot final & all other stages on map.
Stage addresses and descriptions:

1.) A6B5: Small depression
2.) B4C6: Boulder field
3.) C2J1: Man-made feature
4.) D6D1: Top of cliff
5.) E3H4: Cairn
6.) F5E9: Prominent large tree
