Description :

PDF-b2886 | Our knowledge of the Celts, who spread all over Europe a few thousand years ago, has been growing rapidly over the last few decades. One of the most fascinating aspects of their culture was their use of plant medicine. Angela Paine, who has degrees in plant chemistry from London University and has published extensively and internationally in scientific journals, provides here both a history of the... *The Healing Power of Celtic Plants: Their History, Their Use, and the Scientific Evidence That They Work*
