Description :

PDF-dd0f1 | According to the U.S. Centers for Disease Control and Prevention, 1 in 166 children is born with autism. Tenna Merchant is only too familiar with this frightening statistic as she feared her own son might suffer from this devastating disorder. When her son was born, he seemed healthy. But by the time he was six weeks old, the infant cried for hours each evening if he wasn't constantly nursed. As t... *He's Not Autistic But...: How We Pulled Our Son From the Mouth of the Abyss*
