

# Winning at Differentiation:

Practical, realistic differentiation for all

## Touchpoints:

1. Coping with significant differences in student starting point.
2. Ensuring every pupil remains in his/her "Challenge Sweet Spot" and that classwork meets individual needs.
3. Empowering the low attainers whilst stretching the high attainers even further.
4. Eliminating the fear of being "STUCK".
5. Identifying where intervention is necessary and adapting your teaching to pupils' emerging needs.
6. Supporting less confident or reluctant learners - building self-esteem and motivation
7. Ensuring your TA has a measurable impact.
8. Helping ALL pupils to make progress in your lessons without having to do lots of preparation and planning.

### Who is it for?

- Teachers
- Teaching Assistants

### What will it do?

How can you cater for your students' varying needs and levels of knowledge without becoming overwhelmed by the preparation? This training will help you master the practical differentiation skills you need to teach to the top while maximising the progress of SEND and EAL pupils. During this training, you will be introduced to time-saving resources and ways of developing a culture of independence and understanding in your classroom.

### About Veema's Personalised Teacher Training:

All our CPD programmes are bespoke, **tailored to your school's unique needs** and based on the **latest educational research and pedagogy**.

All training sessions are designed to **achieve greatest teacher engagement** while remaining focused on **improving student achievement**.

### Part of the T for Terrific Teaching on-going training programme:
