

Your Next Great Play:

Coaching others to succeed

Touchpoints:

1. Discover how to use coaching as a vehicle for driving improvements in teaching and learning across your school by developing teachers as classroom practitioners.
2. Understand the differences between coaching and mentoring and the impact these can have on raising standards in schools and the professional growth of staff.
3. Discover how to support teachers using live lesson feedback during coaching and mentoring that can be acted upon immediately.
4. Appreciate the importance of mindfulness coaching so you allow sufficient time for purposeful self-reflection.
5. Introduce coaching strategies that enable senior and middle leaders to empower other staff.
6. Learn how to effectively set up and lead a coaching programme in your school.
7. Use coaching to encourage a solution-focused attitude at all levels within your school.
8. Draw upon the most effective coaching frameworks and best practice approaches in education.
9. Evaluate the impact of your existing coaching practices and identify points of improvement.
10. Leave with a wealth of practical resources and techniques you can use in coaching conversations or during line management meetings.

Who is it for?

- Senior leaders
- Middle leaders
- All staff

What will it do?

Develop a 21st century coaching model across the school.
