

ViWash

PUBLIC SPACES

Available Finishes*

2 Foam Colors

White

Black

* Different batches may show a color variation

Dimensions**

1195 x 595 x 43 mm / 47" x 23.4" x 1.7"

** For each panel. Please notice that the dimensions of these panels have a tolerance of +/- 2mm

Packing Information

Units per box: 6

Box: 1230 x 630 x 290mm / 48.4" x 24.8" x 11.4"

Box Gross Weight: 9,6 Kg

Description

ViWash is a closed cell polyethylene foam which has cells that are subsequently opened through the manufacturing process, resulting in a highly efficient sound absorbent material with many unique features such as:

- Superior Noise Control, by absorbing noise rather than just reflecting noise back, ViWash laminated PE foam is an excellent alternative to many noise barrier materials currently used. ViWash foam exhibits some of the best sound absorbing properties available today;
- Resilient to Water and Humidity: one of the key features of ViWash foam is the ability to remain almost unaltered when exposed to water or humidity, the product's acoustic performance remains consistent;
- Flame Retardant ViWash is a flame retardant product and has been tested under various criteria for transportation, automotive, appliance, electronics and construction. The product has been approved in accordance with DIN 4102-1 Class B1 and EN-13501 Class B.

Applications

Road and rail noise barriers. Marine, Automotive and Commercial vehicles. Sound reduction of machinery, compressors, pumps and generators. Noise control in swimming pools, hospitals, schools and offices.

Technical Information

Material: Closed Cell Polyethylene Foam

Fire Rating:

- Europe: Euroclass B-s2, d0

Installation: Flexi Glue Ultra, Visuspension
