Victor Andres Marcial Romero

Front End Developer

Work experience

Full Stack Developer -Gadbit MX

2019 - currently

Currently I continue to work as a full stack developer giving support to delivered projects as well as in the development of new ones, whether they are apps or web pages.

- Quickzz an app to create surveys, share them via link or answer them from the same app and generate reports.
- DuckySaver an app to keep track of personal expenses.
- Pigion Chat an instant messaging app.
- Development and support for the web pages of the Consejo de Ciencia, Tecnología e Innovación del Estado de Guerrero.

Projects

Paseos en lanchas y yates Acapulco
