Science, Technology, Engineering, and Mathematics
Senior and Junior High School
Class of 2017

About Me

I'm a dedicated and detail-oriented Licensed Radiographer with more than 2 years of experience in handling X-ray, Ultrasound, and CT Scan machines in hospitals and clinics. I explored the four corners of the hospital and ventured out to practice my medical imaging profession for 3 years via administrative and managerial work in assisting radiologists and other healthcare providers in the field of telehealth & radiology.
