Report on the Visit to Youth Lead Dialogue at Bharat Mandapam

The 5th Semester students of B.A. (Hons) English, Vivekananda School of English Studies, VIPS-TC, had the opportunity to attend the Youth Lead Dialogue held at Bharat Mandapam on 29th August. The event, organised by the Hardik Dewan Foundation (NGO) in collaboration with Griffin Ventures, formed a significant part of the United Nations Youth Office Initiative #YouthLeadFestival, commemorating the 30th anniversary of the *World Programme of Action for Youth*.

The Dialogue aimed to provide a platform for young voices in India to be amplified on the global stage, with its outcome document feeding into the UNGA High-Level Meeting on Youth. The discussions focused on issues central to contemporary youth: education, sustainability, innovation, inclusive growth, and intergenerational collaboration.

The event featured a series of engaging interactions with eminent speakers and dignitaries, which the students found both inspiring and thought-provoking. A highlight of the programme was the session with financial influencer **Neha Nagar,** whose insights on financial literacy and empowerment deeply resonated with the students. Another impactful moment was learning about **Jas Kalra's** efforts in community service and humanitarian work, which motivated the students to think critically about their own role in society and the importance of contributing positively to the community.

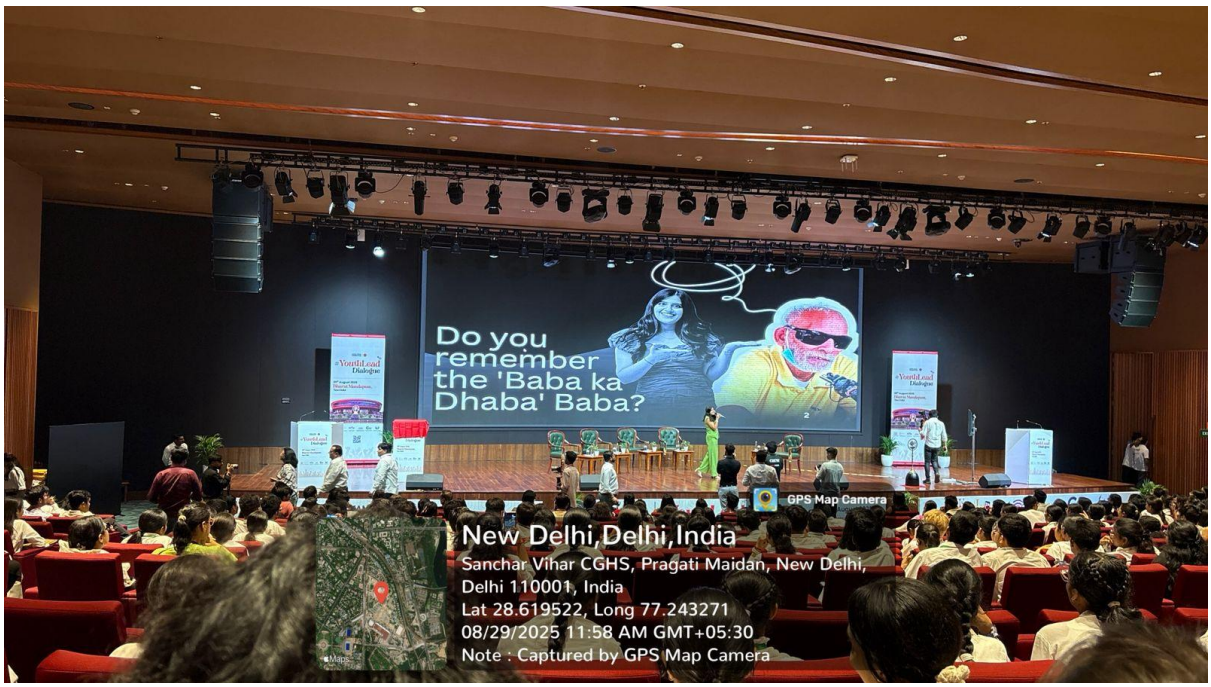

Overall, the visit proved to be a fruitful learning experience, exposing the students to global conversations on youth leadership and policy-making. It provided them with valuable exposure beyond the classroom, encouraging them to engage with real-world issues and inspiring them to envision their potential as catalysts of change.
