Learning objective: To launch the official ARC website and facilitate interaction between alumni and current students through the Alumni Connect event.

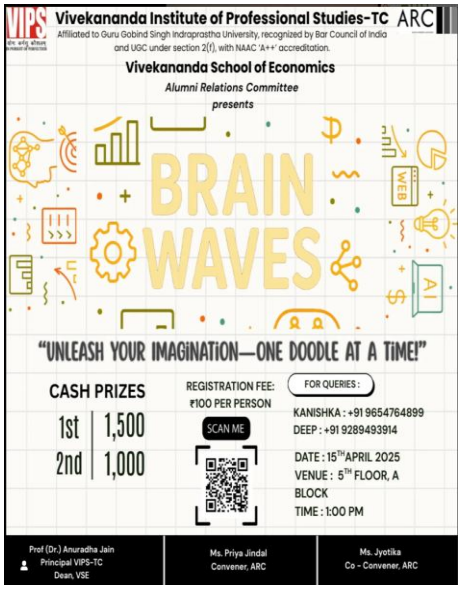

Target audience: Students of VSE and students from different colleges

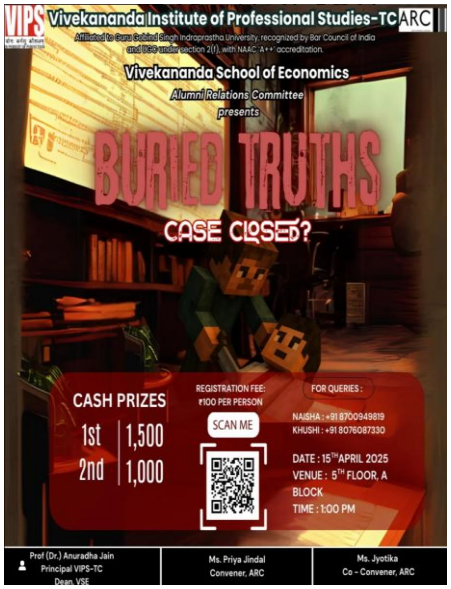

Number of students attended: 121

Event flyer:

Event Details:

On April 15, 2025, the Alumni Relations Committee (ARC) of Vivekananda School of Economics (VSE), VIPS-TC, hosted a series of events, headlined by the official launch of its Alumni Engagement Website. Hosted by Aryan and Gauri, the launch event opened with a traditional lamp lighting ceremony and soulful Vandana performances. Esteemed dignitaries including our faculty conveners, Ms. Priya Jindal and Ms. Jyotika, (Prof) Dr. Anuradha Jain, Dean of VSE and Principal of VIPS-TC, along with other senior faculty members, graced the occasion. In their addresses, they commended the initiative, highlighting its potential to bridge the gap between alumni and students while strengthening the VSE network.

The ARC core team — Meetangi Juneja, Geetali Kwatra, Aryan Nair, and Paawan Nanda — unveiled the new digital platform, emphasizing its features designed to enhance alumni-student engagement, mentorship, and career support. The website will serve as a collaborative space featuring student portfolios, event updates, resources, and opportunities to connect with alumni.

The event was further enriched by a special address from alumnus Utkarsh Varshney, currently an Actuarial Trainee Analyst at WTW. Sharing his transition from software to actuarial sciences, Utkarsh spoke about his time at VSE, including leadership roles in Arthvidya and the Placement Cell. His journey offered students a real-world perspective on career adaptability, resilience, and the importance of exploring unconventional paths.

The launch was part of a broader initiative, as ARC also organized a vibrant lineup of three other engaging events — *Buried Truths*, *BizBazaar*, and *Brainwaves* — all aimed at testing and celebrating students' creativity, critical thinking, and entrepreneurial spirit. These events saw enthusiastic participation from across departments and were judged or observed by alumni, adding valuable industry insight and relevance.

Buried Truths which gathered a crowd of 60 students from various colleges including ours was a murder mystery challenge where participants were given case files filled with clues, evidence, and witness testimonies. Their task was to identify the real culprit through logical deduction and collaborative investigation. The event highlighted students' analytical thinking and teamwork as they navigated through red herrings and subtle leads.

In *BizBazaar*, an entrepreneurial simulation, participants used a limited fictional currency to procure raw materials and build a prototype product, which they then pitched to the distinguished alumni of VIPS TC acting as investors. It was attended by more than 30 students from colleges all over New Delhi including ours. The event brought out students' skills in budgeting, resource management, product design, and persuasive communication. Many teams delivered creative and practical solutions, reflecting a strong entrepreneurial mindset.

Brainwaves, attended by 15 students from VIPS-TC and other colleges was a fast-paced doodling competition, it tested students' artistic creativity and time management. Given prompts, participants had to produce meaningful doodles within a limited time frame. The event showcased a rich spectrum of imaginative interpretations and gave students a platform for visual storytelling.

Together, these events captured ARC's commitment to creating engaging, skill-enhancing experiences while fostering a sense of community and connection at VSE. The success of the Alumni Engagement Website launch, alongside the thoughtfully curated activities, marked a significant milestone in building a vibrant and collaborative ecosystem for students and alumni alike.

The winners were as following:

Buried Truths - First Prize (Rs.1500): Team [Krishna Tyagi, Lakshay Sharma]
Second Prize (Rs.1000): Team [Riddhi, Taran, Naanya]
Third Prize: Team [Shreya, Rahini]

Biz-Bazaar - First Place (Rs.3000): Team [Yuvraj Wadhawan, Vanshika Chola, Sejal Juneja and Kirthana Nair]
Second Place (Rs. 2000): Team [Nupur Paheja, Nidhi Jain and Dishita Jain]

Brainwaves - FirstPrize (Rs.1500): Ishita Gupta
Second Prize (Rs. 1000): Tisha Sharma
