The workshop was conducted for 8th semester law students and LL.M Corporate Law with the objective of bridging the gap between theoretical understanding and practical application of taxation laws, while also providing insights into contemporary developments in direct taxation.

The session was graced by the presence of the esteemed Chief Guest, Dr. Lalit Bhasin, Managing Partner at Bhasin and Co. and President of the Society of Indian Law Firms. Drawing upon his extensive experience, he shared valuable perspectives on the evolution of the legal profession and emphasized the importance of ethical practice, adaptability, and alternative dispute resolution mechanisms such as mediation.

The workshop comprised two engaging sessions by distinguished experts. The first session was delivered by Ms. Shaily Gupta, Partner at Khaitan and Co., who discussed key concepts in direct taxation, including General Anti-Avoidance Rules (GAAR) and Place of Effective Management (POEM), along with recent developments under the Income Tax Act, 2025. She highlighted the practical application of these concepts and their role in addressing tax avoidance and interpreting complex tax structures.

The second session was conducted by Dr. Raviraj Khogare, Joint Commissioner of Income Tax, who provided a comprehensive overview of tax assessment procedures and the litigation framework. He also engaged students through practical problem-solving exercises and discussed emerging trends such as faceless assessment, along with diverse career opportunities in the field of taxation.
