The Vivekananda School of Law and Legal Studies (VSLLS), VIPS-TC, Centre for Skill Development, *Advocates' Legion*, Moot Court Committee organized a training session titled "How to Excel in Mooting" on 27th August 2026. The session covered the essential foundations of mooting, clearly distinguishing it from a regular mock trial. Students learned valuable techniques for analyzing complex moot problems, utilizing advanced legal research tools like SCC Online and Manupatra, oral submission techniques, courtroom etiquette, and handling bench interventions and applying the IRAC framework to construct strong, well-structured memorials.

The session was led by keynote speaker Mr. Ribhav Pande, Advocate at the Supreme Court of India, who holds an LL.M. from the University of Cambridge and served as a JN Tata Scholar. Drawing from his professional experience, he provided practical guidance on oral arguments, courtroom etiquette, and handling unexpected questions from the bench. The session was tailored specifically for law students looking to sharpen their mooting and advocacy skills. Participants were equipped with practical insights, confidence and skills needed to improve their research, drafting, and public speaking, successfully preparing them for future competitive mooting events.
