Vivekananda School of Law and Legal Studies

India is marching towards globalisation while achieving growth through indigenous development. Digital India, foreign investment, make in India, start up and such many more initiatives are a part of this strategy. These initiatives are creating more opportunities for the legal professionals as well. Within this context, it may be noted that India has the second largest legal profession with more than 6,00,000 lawyers. However, considering the population of India, the ratio available for Indian population is only six lawyers per ten thousand people. In this scenario, there is a need to staff the legal services along with making it efficient and equipping it to deal with changing scenario and increasing expectations. In this background, Vivekananda School of Law and Legal Studies (VSLLS), VIPS by delving upon its experience and expertise in law, is doing progressive efforts to equip its law students
