ABOUT VIPS

It was in the year 1997, that Dr. S.C. Vats, Founder of Vivekananda Institute of Professional Studies - Technical Campus (VIPS-TC), met Swami Jitatmanandji, an eminent educationist, management expert, author of books on Modern Physics & Vedanta and Indian Ethos in Management, an active social worker and the editor of Prabudh Bharat (Awakened India), a journal started by Swami Vivekananda Ji. As the destiny ordained under a silver oak tree at 'Advait Ashram' in Mayawati in Pithoragrah District of Uttaranchal, vibrating thoughts were flowing from Swamiji's lips in the balmy aroma of the dense pine and fir forest and he almost gave a diktat to Dr. Vats to set up an Institute, for higher learning in the capital city of India, in the name of Swami Vivekananda, a prophet and a path finder. It was a gigantic task that fell upon Dr. Vats' shoulders. But resolved as he was, he returned to Delhi and in a couple of months' time sold his ancestral house and from the sales proceed of that house seed capital was created, which was so very important for establishing a new Institute with high ideals. In order to materialize Swamiji's dreams, Dr. Vats rolled out a road map. As a first step, he held brain storming session with eminent scholars and people from academia along with some legal luminaries and retired civil servants. The brain child of which was a society for Total Revival of Nation, thus called the Society for Total Revival and National Glory and True Heritage (STRENGTH), which was later registered as a charitable society under the Registration of Societies Act, in 1998 with a mission of making VIPS-TC an ideal educational Institution with the clear objective of "Man Making, Character Building, Nation Building" as envisaged by Swami Vivekananda.

Accreditations

- Accredited with 'A++' grade by National Assessment and Accreditation Council (NAAC) with CGPA of 3.58 on four point scale (valid upto 9th January, 2028).
- NBA Accredited for MCA Programme
- Recognised under Section 2(f) by the University Grants Commission
- Placed in Category A+ by State Fee Regulatory Committee
- Recognized by Bar Council of India for Law programmes
- Approved by AICTE for MCA programme
- ISO 9001 : 2015 Certified Institution

VIPS-TC Accreditations

Accredited with 'A++' Grade By NAAC With CGPA of 3.58 on Four Point Scale.

Accredited by NBA for MCA Programme

Recognised Under Section 2(f) by UGC

An ISO 9001:2015 Certified Institution

Distinguished & Distinctive Features, VIPS-TC

- The Institute has strong Industry-Connect with a legacy of more than 24 years.
- The Institute provides 100% assistance to students for employability.
- Highly Qualified Faculty with Industry experience.
- Preferred choice of Top Ranked Students in National Level Test JEE, CLAT, NIMCET/Common Entrance Test and CUET.
- State of the art infrastructure and Learning Facilities.
- The Institute is fully networked with high-end intelligence CISCO Switches secured with Firewalls through a 812 mbps dedicated leased line for the LAN wired & Wi-Fi connectivity. The Institute has computers with latest editions of 12th Generation Intel Core i7, 16GB, 1TB SSD HD Systems.
- The Center for Skill Development offers various Value Added Courses aimed at fostering skills enhancement.
- Innovative pedagogies to encapsulate the prescribed curriculum along with consistency, thereby focusing on the holistic growth of every student
- Located in the heart of the city of New Delhi with proximity to Three Metro Stations.

Programmes Offered

Vivekananda School of Engineering & Technology (VSE&T)

Vivekananda School of Engineering & Technology (VSE&T) has been established under the aegis of VIPS-TC with an aim to achieve excellence in the field of Technical Education. Keeping pace with the changing global needs and demands of new-age technology, VIPS-TC has introduced four B.Tech undergraduate programmes in Artificial Intelligence & Data Science, Artificial Intelligence & Machine Learning, Industrial Internet of Things and Computer Science and Engineering affiliated to Guru Gobind Singh Indraprastha University and approved by All India Council of Technical Institution.

We at VSE&T help students unleash their potential and refine the engineer within by laying the solid foundation of four cornerstones of our Ethos: Curiosity, Creativity, Capability, and Contribution. At the end of their undergraduate voyage, students will unlock their full potential as an individual and as a technocrat.

.

B.Tech- Artificial Intelligence & Machine Learning
B.Tech- Artificial Intelligence & Data Science
B.Tech- Industrial Internet of Things
B.Tech- Computer Science & Engineering
B.Tech- Electronics Engineering (VLSI Design & Technology)

Vivekananda School of Law and Legal Studies

Vivekananda School of Law and Legal Studies India is marching towards globalisation while achieving growth through indigenous development. Digital India, foreign investment, Make in India, Start up and such many more initiatives are a part of this strategy. These initiatives are creating more opportunities for the legal professionals as well. However, considering the population of India, the ratio available for Indian population is only six lawyers per ten thousand people. In this scenario, there is a need to staff the legal services along with making it efficient and equipping it to deal with changing scenario and increasing expectations. In this background, Vivekananda School of Law and Legal Studies (VSLLS), VIPS by delving upon its experience and expertise in law, is engaged in progressive efforts to equip its law students to face the world.

Masters of Laws: LLM
Integrated (Bachelors of Arts)- (Bachelor of Law): BALLB (Approved by BCI)
Integrated (Bachelors of Business Administration)- (Bachelor of Law): BBALLB (Approved by BCI)

Vivekananda School of Information Technology

Vivekananda School of Information Technology Vivekananda School of Information Technology offers the programmes that caters to the needs of a fairly large number of aspirants desirous of taking up Computer Application courses to secure entry into the fast-expanding software and information processing world. The schools extend two courses for students to opt for Bachelor of Computer Application (BCA) and Master of Computer Application (MCA) programme. The courses are fully equipped and rigorously conducted to provide sufficient background to graduates to work side by side with Computer Science Engineers and professionals in the Information Technology arena.

Master of Computer Applications: MCA (Approved by AICTE and NBA Accredited)
Bachelor of Computer Applications: BCA (Approved by AICTE and NBA Accredited)

Vivekananda School of Journalism and Mass Communication

Vivekananda School of Journalism & Mass Communication (VSJMC), is one of the biggest department of Media Studies that was established in year 2001. The Bachelors programme in Journalism and Mass Communication at VSJMC combines the rigors of academic excellence and hands-on practical training to take up challenging jobs in the fast growing and diverse media industry. VSJMC boasts of a state of art studios as well as skilled and well-qualified faculty, who have been instrumental in shaping both industry leaders and university toppers.

Bachelor of Arts (Journalism and Mass Communication): BA(JMC)
Master of Arts (Mass Communication)

Vivekananda School of Business Studies

School of Business Studies focuses on imparting holistic and value-based education in Business Studies. The school aims at preparing students for tomorrow, equipping them today with the right knowledge, skills and attitude, that will help them perform more effectively in their future work life. The industry today is talking of ever evolving technology and the increasing skill deficit in the young management graduates to cope up with this change. VSBS is making a sincere attempt to bridge the skill gap by imparting value-added training programs on pertinent skill sets.

Bachelor of Business Administration: BBA
Bachelor of Commerce (Hons.): B.Com(H)

Vivekananda School of Economics

With the endeavour of imparting quality and contemporary education in the field of Economics, Vivekananda School of Economics was incepted in 2017. Since its inception, the School has been working to train young minds to be the thoughtful, dynamic and mindful economists of the future. VSE presently offers a three-year degree course in B.A.(Hons) Economics that aims to inculcate human, technical and conceptual skills in students. Knowledge of fundamental economics as well as the core functional areas of Economics like Micro Economics, Macro Economics, International Trade, Public Economics, and Growth and Development etc, is imparted through its comprehensive course structure.

BA Economics (H)
MA Economics

Vivekananda School of English Studies

Vivekananda School of English Studies (VSES) runs three-year BA English (Honours) programme. It stimulates, enhances and nurtures the interpretative, expressive and critical skills of the students within a rigorous English Honours course that takes them through the best in world literature. The faculty at VSES engage the students in identifying, analyzing, interpreting and describing the texts within the historical, social and cultural contexts in order to enhance their ability to read, understand and reflect on texts from different perspectives. VSES aims at empowering the students for their future professional endeavors whether it is in the field of higher academic learning, communication or publishing. Woven within the pedagogy is the exciting tapestry of the co-curricular calendar of varied literary activities.

BA English (H)
MA English

Admissions

STUDENTS

Students

The conscientious focus on academics and the holistic development of its students is reflected in the performance of students in not only academic areas but also in co-curricular and extracurricular endeavours as well. The emphasis on gaining professional skills and keeping up to date with latest trends of the industry have reflected in students performing well in the job market and gaining placements in reputable organisations across different schools of learning. The students have also performed well in competitive exams securing seats in prestigious institutions of higher education and reputed government services. The emphasis on holistic development of student's talents and personality through co-curricular and extra-curricular activities has also been reflected in the many prizes won by students in the field of sports and performative arts and other extra-curricular competitions.

Result

The college follows the assessment policy set by the university wherein the students are graded internally and externally both. For Internal assessments, grading is done through continuous assessment in form of mid-term exams, quizzes, presentations, assignments, internal viva etc and for external assessments, students appear in the end term examinations for both theory and practical conducted by the university. Students have performed well in this academic year with a pass percentage above 95% for the majority of the programmes and four programmes with a 100% passing rate.

Placement

VIPS is committed to providing quality education to the students in going above and beyond to what is prescribed in the syllabus. It aims at giving students necessary career advancing skills through various add on courses, industry and academia interface and multitude of co-curricular activities. The positive result is reflected through the placement of its students in reputed national and international organizations like Barucha and Partners, Ernst and Young, Deloitte, Amazon, Philips India Ltd, Wipro WMS, Infosys, Tata Consultancy Services (TCS), Wunderman Production, Value 360 Communication, Investosure, BYJU, Genpact and many others.

Performance in Competitive Exams

VIPS provides a launch pad to students by preparing them through impeccable curriculum delivery and academic activities to excel in all areas of life. The dedication to the academic growth of the students and the high quality of teaching at the Institute is reflected this year too in the performance of students in various national competitive exams. The students got selected at reputable institutions of higher educations and received positions in prestigious professional spaces by clearing competitive exams making the Institute proud.

Performance in Competitions

The emphasis on overall development of students is reflected through various departmental and centralized societies that hones students' interests in extra-curricular activities. Be it sports, debate, literature or performing arts like dance, drama or music, the societies at VIPS nurture students' talents and give them ample opportunities to shine. Their talents meticulously cared for and nourished by the Institute have been appreciated at various platforms and have won laurels at many regional and national competitions making the Institute proud.

Value Added/Skill Development Courses

The Institute continuously endeavours to enhance the students unique skills and knowledge to give them an edge over their peers in the professional and academic sphere. VIPS regularly conducts Value-Added Certificate courses, Bridge courses, Webinars, Master Classes and Workshops to provide students with hands on training. These sessions impart essential skills, provides opportunity to have industry interface, gain employability skills and making them job ready. This year too various schools at VIPS organized and conducted many skills enhancement programmes for students that provided them with additional knowledge to their curriculum.

Participation in Professional Development Programmes

The faculty at the Institute constantly strives to upgrade themselves not only focusses on research but also regularly attends and participates in professional development programmes to keep abreast with the latest development in their field of study. These programmes like Faculty Development Programs, Orientation and Refresher Courses and workshops help them update their skills and acquiring additional competency and knowledge about latest trends in industry and academics. The enthusiastic participation of faculty in such courses was also seen this academic year where the faculty participated in various programmes from prestigious institutions like University of Delhi, National Law University, and other central and state universities.

Name of teacher who attended	Title of the program	Duration (from – to) (DD-MM-YYYY)
Ms. Purva Kaushik	Research, Publication and Patent in Humanities and Sciences organised by SRM Institute of Science and Technology, Chennai	22nd-30th August, 2022.
Ms.Kusum Lata	"Technological Advancements in Education, Management and Law" by GURU NANAK DEV UNIVERSITY AMRITSAR	11th-17th July, 2022.

Ms. Mohita Yadav	Contemporary Legal System: Development and Challenges organised by School of Law, NorthCap University, Gurugram	19th-25th July, 2023
Ms. Mohita Yadav	Research Methodology Course sponsored by Northern Regional Centre, ICSSR, Delhi organised at Vivekananda School of Journalism and Mass Communication	6th-10th February, 2023
Ms Richa Srivastava	Gender, Work and Development organised by V.V. Giri National Labour Institute, Noida	6th-7th March, 2023
Dr. Payal Jain	"Technological Advancements in Education, Management and Law" by GURU NANAK DEV UNIVERSITY AMRITSAR	11th-17th July, 2022.

Ms. Kanchan Lavania	Outcome Oreinted Teaching Learning Practices & Research: A multi-dimenasional approach by Sharda University	11th-16th July, 2022
Ms. Kanchan Lavania	Indian Law Institute CLEA-MILAT Research Mentoring Programme 2022	31st October-6th November, 2022
Ms. Richa Gupta	"Technological Advancements in Education, Management and Law" organized by Guru Nanak Dev University, Amritsar in collaboration with Ideal Institute Of Management And Technology, Delhi	11th-17th July, 2022
