+

The Vivekananda Institute of Professional Studies (VIPS) has started a new programme B.A. English (Hons) from the Academic Session 2018-19. The Vivekananda School of English Studies (VSES) held its first induction program on August 1, 2018 to address the new students. The objective of the program was to make the new students comfortable with the environment and also to make them understand the ethos of the institution.

Dr Salonee Priya Associate Dean, VSES addressed the students with a welcome note. She briefed the students about the Institute. She explained about the academic curriculum, attendance criteria, dress code and examination pattern. She also mentioned about the importance of maintaining a good academic record. In her address she said that this course enables students to practically examine the various career options available and choose the right domain for future suiting their interest. Her address was followed by the introduction of the faculty members. The student handbooks were also distributed after the program.
