The CMC3-2TONE-MCTP-DD is a 3" architectural LED ceiling cylinder designed for decorative commercial, hospitality, retail, and residential interiors. Its 2-tone finish design combines a clean cylindrical form with field-selectable wattage and color temperature, allowing one fixture to adapt to multiple applications. Dual dimming capability supports TRIAC dimming at 120V and 0-10V dimming at 120-277V, while the clear glass diffuser and COB LED source deliver a refined, focused beam for accent and general lighting.
