

HEX SERIES Commercial Lighting

HEX-96X190-534W-30K-UNIV
HEX CAR SHOP DECORATIVE LIGHT KIT WITH FRAME 96in X 190in

Customer Name: _____
Project Name: _____
Note: _____ | Type: _____

A Hexagon LED Ceiling Light Fixture is a modern and stylish lighting solution featuring a geometric hexagonal design. It provides energy-efficient LED lighting, offering bright, uniform illumination for various indoor spaces. The fixture's sleek, contemporary look adds a touch of elegance to any room, while its low-profile design ensures it blends seamlessly with different decor styles. Ideal for living rooms, kitchens, or offices, it combines functionality and aesthetics in one innovative light fixture.
