Project Name: _____

Note: _____

Type: _____

The LP-SLF-2X2 Sky Light Recessed Frame is designed for installing 2x2 LED panel lights in drywall ceilings. This recessed mounting frame provides a clean, architectural finish, making it ideal for panel light installations in non-grid ceiling applications.

FEATURES:

- Designed specifically for 2x2 LED panel lights
- Ideal for installations without T-bar grid ceilings
- Clean recessed architectural appearance
- Durable steel construction for long-lasting performance
- Easy installation and secure panel support

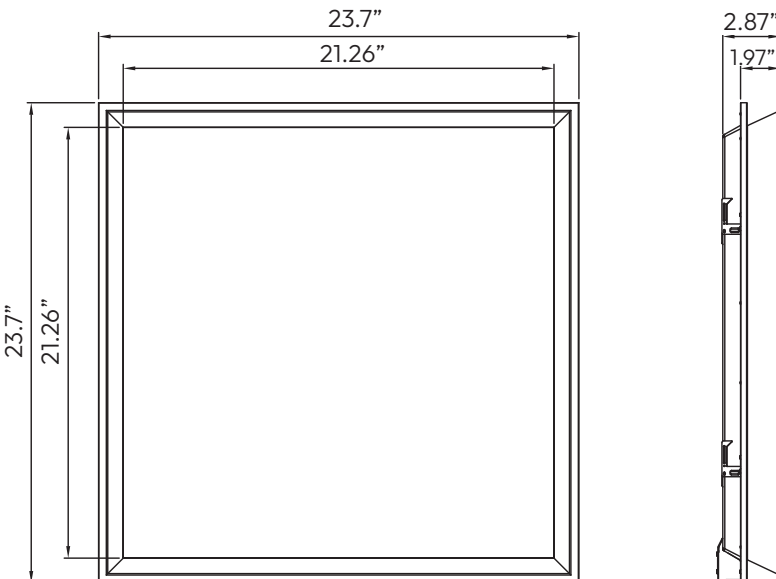

SPECIFICATIONS:

MECHANICAL:

- White powder-coated
- Steel construction
- Ceiling Type: T-bar / Suspended Grid Ceilings
- 5 Years Warranty

APPLICATIONS:

- The LP-SLF-2X2 Sky Light Recessed Frame is designed for installing 2x4 LED panel lights in drywall ceilings. This recessed mounting frame delivers a clean, architectural look and is ideal for panel light installations in ceilings without a standard grid system.
