

RMS-4FT-35W-MCTP

4FT X 2 MAGNETIC RETROFIT STRIP KIT WITH EXT. DRIVER-
POWER & CCT ADJUSTABLE

MCTP Multi Color Temperature & Multi Power/Wattage (Selectable)

Customer Name: _____

Project Name: _____

Note: _____

Type: _____

Tube Dimensions: 43-1/2" (L) X 5/8" X 5/8"
Driver's Dimensions: 11-1/4" X 1" X 1-1/4"

Introducing our innovative Magnetic Retrofit Strip Kit with External Driver – a game-changer in lighting solutions. This versatile kit seamlessly transforms any fluorescent housing into a high-performing LED system with unparalleled ease. Designed with convenience in mind, installation is a breeze thanks to the included magnets on both the tube and external driver, ensuring a hassle-free upgrade process. With adjustable power and CCT (Correlated Color Temperature), this retrofit kit empowers users to customize their lighting experience to suit any environment or preference. Whether it's upgrading existing setups or embarking on new projects, our Magnetic Retrofit Strip Kit delivers exceptional performance, reliability, and flexibility, making it the ideal choice for contractors, specifiers, and end-users alike.

Features

- Removable Light Diffusing Lens
- Included Magnets on the back of Driver and Tubes
- Lens: Frosted Diffuse Polycarbonate Lens with Strip Lines Inside
- MCTP: Multi Color Temperature & Multi Power/Wattage (Selectable Switch Is On The Driver)

Technical Specifications

Electrical:

- Voltage: 120-277VAC 50/60Hz
- Wattage: 20W/28W/35W
- Power Factor: >0.9
- THD: <20%
- Efficacy: 140 LPW

Mechanical:

- Easy Connectors Provided.
- Magnetic bar on the back of Driver & Tubes
- Removable Frosted PC Lens
- Operating Temperature: -20°F -115°F

Lighting:

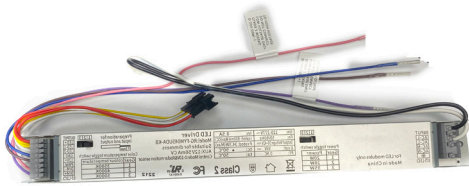

- MCTP: Multi Color Temperature & Multi Power/Wattage (Selectable Switch Is On The Driver)
- Dimmable: 0~10V Dimming
- Chip: Samsung
- Total Lumens: 4900LM Max.
- Color Temperatures: 2700K/3000K/3500K/4000K/5000K
- Color Rendering Index: CRI ≥ 80
- Beam Angle

Applications:

- Introducing our innovative Magnetic Retrofit Strip Kit with External Driver – a game-changer in lighting solutions. This versatile kit seamlessly transforms any fluorescent housing into a high-performing LED system with unparalleled ease. Designed with convenience in mind, installation is a breeze thanks to the included magnets on both the tube and external driver, ensuring a hassle-free upgrade process. With adjustable power and CCT (Correlated Color Temperature), this retrofit kit empowers users to customize their lighting experience to suit any environment or preference. Whether it's upgrading existing setups or embarking on new projects, our Magnetic Retrofit Strip Kit delivers exceptional performance, reliability, and flexibility, making it the ideal choice for contractors, specifiers, and end-users alike.
