The Undercabinet Series with Receptacles and USB Ports provides versatile and convenient power solutions for a variety of applications. Available in multiple configurations, each model is designed to meet different power needs, featuring a combination of outlets, USB ports, and USB-C ports. The integrated reset switch ensures safety by cutting off power if the total load current exceeds 15A. These sleek, compact units are perfect for spaces requiring additional power options without compromising on aesthetics.

Features

- 5-Year Warranty
- Lifespan: 50,000 Hrs.
- Extruded Aluminum Housing With Glass lens
