APPLICATIONS:

- Ideal for residential and hospitality bathroom vanity lighting, powder rooms, dressing areas, hallways, and decorative wall-mount installations where a single E26-base lamp is preferred for customizable illumination.

The VLM-E26-1L is a decorative 1-lamp vanity light designed for residential and light commercial wall-mounted applications. Its E26 medium base socket supports LED lamps and other compatible E26 lamps up to 60W, giving users flexibility in selecting preferred light output and color temperature. The fixture features a metal housing, glass shade, damp location rating, and powder coated finish for a clean, modern vanity appearance.
