

LIMITED WARRANTY (CONTINUED):

▶ **What Wet Sounds, Inc. Will Do**

Wet Sounds, Inc. will repair any part of your product that proves to be defective in materials or workmanship. In the event repair is not possible, Wet Sounds will replace the product in question. If it is deemed necessary Wet Sounds, Inc. will either replace the entire product with a refurbished unit or it will be replaced with a model that is similar in price is that model is no longer available. Labor costs and materials needed to complete this service will be at No Charge to the purchaser. Additionally, return shipping FROM Wet Sounds, Inc. to the purchaser will be paid for by Wet Sounds.

How To Get Service

Contact Wet Sounds, Inc. either by phone (877-938-7757) or by email (warranty@wetsounds.com). A service representative will assist you in confirming that the problem you are experiencing is caused by a defective product and if that product is covered under warranty. The service representative will issue you a Return Manufacturer's Authorization (RMA) and other details to obtain service for your product.

DO NOT RETURN YOUR PRODUCT WITHOUT THE PROPER RETURN AUTHORIZATION (RMA)!

Internet Warning

Wet Sounds, Inc. products sold on any non-authorized web site or internet auction site are void of any and all manufacturer's warranty. Please contact Wet Sounds (877-938-7757) or visit our web site (www.wetsounds.com) for a list of authorized online sellers or to find an authorized installing retailer near you.

WW-BTUR

WET SOUNDS

UNIVERSAL BLUETOOTH RECEIVER/ADAPTER

THANK YOU FOR CHOOSING WET SOUNDS FOR YOUR HIGH PERFORMANCE AUDIO SYSTEM!

The WW-BT-UR is an easy to operate Bluetooth Receiver/Adapter.

With no controls on the unit itself, the BT-UR receives the signal from any BT enabled device and sends to any amplifier with low level inputs or a head unit with an AUX input.

INSTALLATION/BLUETOOTH PAIRING INSTRUCTIONS:

- STEP 1:** Connect the WW-BT-UR as explained in this manual. The BLUE light will light when power is applied.
- STEP 2:** If not already paired with another learned device, the BT-UR will automatically enter pairing mode, which is indicated by the flashing BLUE light.
- STEP 3:** From your phone's Bluetooth pairing menu find the WW-BT-UR and connect to it.
- STEP 4:** When the Blue light is lit constantly, the BT-UR is paired to the BT device. The WW-BT-UR will automatically default to this device if in range whenever the WW-BT-UR is powered on.
- STEP 5:** If using the BT-UR to power on an amplifier, when the BT device is paired & playing music, the RED light will light to indicate that the BT-UR is supplying +12V to the REMOTE OUT (Blue) wire. If music on the BT device is in PAUSE mode for more than 10-20 seconds, the REMOTE OUT (Blue) wire loses +12V, causing the amplifier to shut off. The RED light will also go out. Pressing PLAY again will re-supply +12V to the REMOTE OUT (Blue) wire, allowing the amplifier to power on again. The RED light will light up.

This is to reduce battery draw caused by an amplifier being powered on while music is in PAUSE mode.

MOUNTING INSTRUCTIONS:

The WW-BT-UR has no controls that need to be adjusted after installation, & emits virtually no heat, so it may be mounted in a hidden or inaccessible location. The light weight makes it easy to install with double stick tape or with wire ties using the side tabs. It may be helpful to install in a place where viewing the LED indicator lights is possible.

WIRING INSTALLATION INSTRUCTIONS:

- RED WIRE** Connect to +12V for Power. A switched +12V circuit is suggested.
- BLUE WIRE** Connect to Amplifier Remote Wire. To turn on amp when the BT-UR is paired to a BT device.
- BLACK WIRE** Connect to -12V for Ground
- MAIN OUTPUT** Connect to input of an amplifier or a head unit – This connection is a 3.5mm. It will be necessary to use a 3.5mm/RCA adaptor such as the Wet Sounds WW-RCA-3.5mm 2 ft when connecting to an amplifier with RCA style inputs.

LIMITED WARRANTY:

What This Warranty Covers

This is a "limited" warranty. This warranty covers any defect in materials and workmanship. This warranty only covers the original purchaser and is not transferrable. This warranty is also only valid if the original purchase was made from an authorized Wet Sounds™ dealer.

How Long Coverage Lasts

This warranty extends for 2 years from the date of purchase. It is recommended to REGISTER your warranty online within 45 days of purchase at www.wetsounds.com – click on "warranty registration".

What Is Not Covered

This warranty does not cover fading or discoloration caused by exposure to sunlight or chemicals such as ammonia, household bleach, or any cleaning material that contains abrasive substances. Wet Sounds, Inc. does not cover the expense for removal or reinstallation. Additionally, shipping TO Wet Sounds, Inc. must be paid for by the purchaser. This warranty is void and inapplicable if Wet Sounds deems that the product was abused or misused; including but not limited to damage caused by accident, mishandling, improper installation, removing the inline fuse on the power connection, negligence, normal; wear and tear, excessive water or heat damage, freight/shipping damage, or products that have been disassembled by anyone other than Wet Sounds technical staff. Wet Sounds will not be responsible for any incidental or consequential damages, except to the extent provided (or prohibited) by applicable law. This warranty gives you specific rights, and you may also have other rights which vary from state to state.
