ABOUT ME

I started my career in landscape photography and then eventually moved into architectural photography. I was amazed at the patterns that human hands could produce. I made it my mission to show more of it to the world.

PREVIOUS WORK

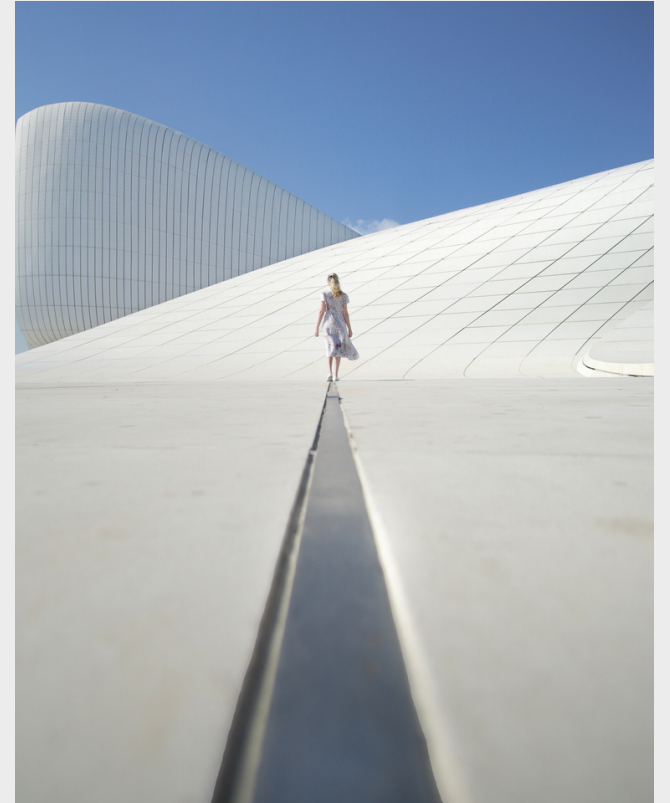

2022 – The Inaro Museum of Contemporary Art

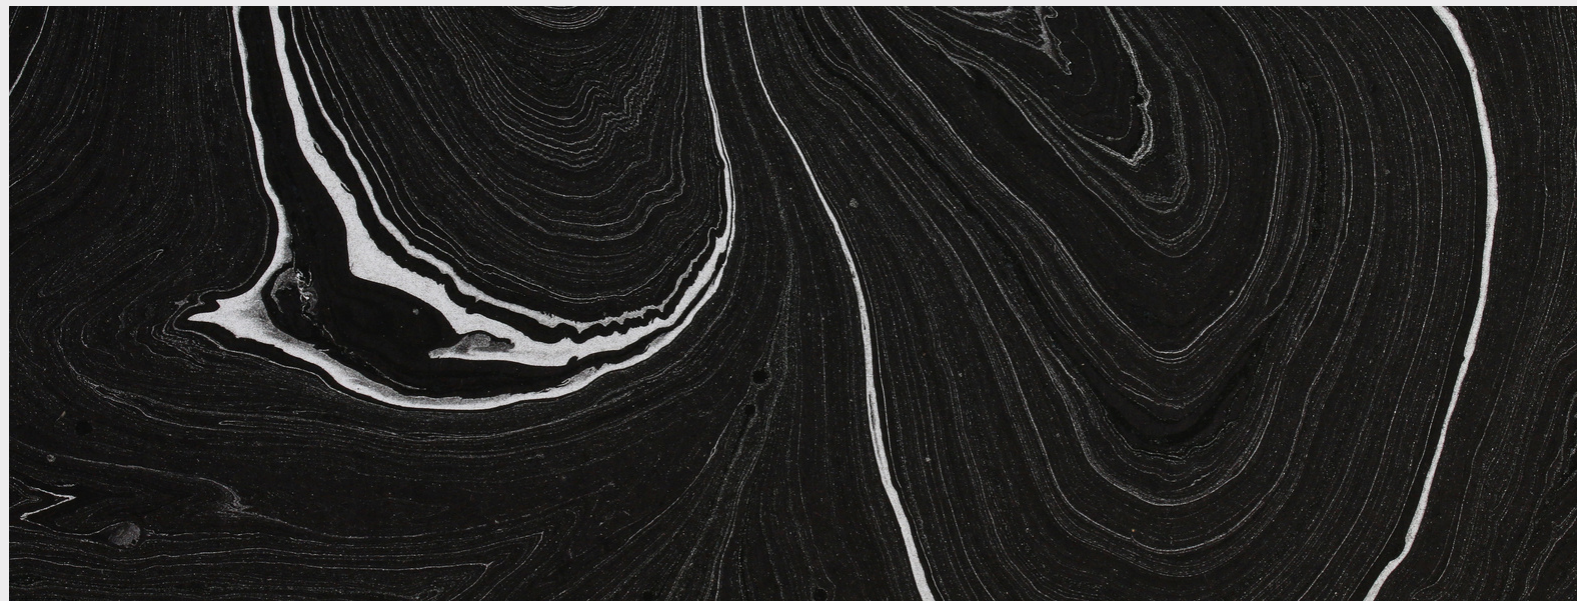

2023 – The Corner of Dew Drive Street

2023 –
It's Not Even Spring

2023 – A Singular Path

2024 – Resin Patterns by Artist Chun Hei Kim

The Croalstead Building was a joy to capture because whichever angle I chose to shoot from, there was always a new pattern to witness.

2025 – Human Eye View
