Description :

PDF-ea238 | Each year, 140,000 water-related deaths occur worldwide. These deaths are rarely true “accidents,” because most maritime incidents are caused by lack of preparedness. If you frequently participate in aquatic activities, have you stopped to consider the nature of the threat confronting you? What steps can you take to improve your chances of surviving in the water or on a survival craft? Is ... *Essentials of Sea Survival*
