¿Cómo usar las barras Verticales dinamicas en Power Apps?

- Manual técnico
- Creado por Neiy Darry
- Encuentra componentes gratuitos: [Presionando aquí](#)
- Descarga plantillas Power Apps: [Presionado aquí](#)

A continuación se explicará cada uno de los ítems enumerados que se encuentra en la imagen

The screenshot displays the Microsoft Power Apps interface for a HelpDesk application. The top navigation bar includes the title "Power Apps | HelpDesk 2021- Copia-Componentes", a search bar, and user information. Below this is a ribbon with options like "Atrás", "Insertar", "Agregar datos", "Nueva pantalla", "Tema", and "Configuración".

The main workspace shows a dashboard with several components. On the left, a "Vista de árbol" (Tree View) pane lists the components of the app, including "REPORTS_2", "REPORTS_6", and several "BarVerticalOrange" components. The "BarVerticalOrange2" component is selected, and it is highlighted with a red circle labeled "1".

The dashboard itself contains a "Back" button, a "HelpDesk" logo, and a "Dashboard" title. It features a status summary card with counts for "OPEN", "CANCELLED", "IN PROCESS", and "CLOSED" tickets. There are also two bar charts: "Assigned to me by Category" and "Assigned to me by Status". A table titled "Pending Ticket" lists tickets with columns for "id", "category", and "date".

On the right side, the "CONTROLES" (Controls) pane shows the properties of the selected "BarVerticalOrange2" component. It includes a search bar, a "Nueva pantalla" button, and a list of components. The "BarVerticalOrange2" component is selected, and its properties are displayed. The "mountbar" property is set to "60", and the "size" property is set to "Small". The "Posición" (Position) is set to (532, 229), and the "Tamaño" (Size) is set to (62, 200). The "Visible" property is set to "Activado" (Activated), and the "Modo de presentación" (Presentation mode) is set to "Editar" (Edit). The "Índice de tabulación" (Tab index) is set to "0". The "Información sobre h..." (Information about h...) property is set to "BarVerticalOrange description".

Red circles with numbers 1, 2, 3, and 4 are overlaid on the image to highlight specific elements:

- 1: The "BarVerticalOrange2" component in the "Vista de árbol" pane.
- 2: The "Assigned to me by Category" bar chart on the dashboard.
- 3: The "mountbar" property in the "CONTROLES" pane.
- 4: The "size" property in the "CONTROLES" pane.

1) Hace referencia al componente de barra, y ya se encuentra dentro de una pantalla.
