

¿Cómo usar el Collapse Basic en Power Apps?

- Manual técnico
- Creado por Neiy Darry
- Encuentra componentes gratuitos: [Presionando aquí](#)
- Descarga plantillas Power Apps: [Presionado aquí](#)

A continuación se explicara cada uno de los ítems enumerados que se encuentra en la imagen

The screenshot displays the Microsoft Power Apps editor for a HelpDesk application. The interface includes a top navigation bar with the title "Power Apps | HelpDesk 2021- Copia-Componentes" and a search bar. Below the navigation bar is a toolbar with various icons for navigation and editing. The main workspace is divided into three sections:

- Vista de árbol (Tree View):** Located on the left, it shows a hierarchy of components. A red circle with the number "1" highlights the "Accordion1_2" component.
- Canvas:** The central workspace shows a dashboard with several widgets: a "Back" button, a "HelpDesk" logo, a "My Ticket by Status" pie chart, a "Pending Ticket" table, and an "Assigned to me by Status" pie chart. A red circle with the number "2" highlights a text box labeled "Tips to fix errors" on the dashboard.
- Propiedades (Properties):** Located on the right, it shows the properties for the selected "Accordion1_2" component. A red circle with the number "3" highlights the "txtTitle" property, which is set to "Tips to solve tickets". A red circle with the number "4" highlights the "txtDescription" property, which is set to "Sed ut perspiciatis unde omnis iste natus error sit voluptatem accusantium doloremque". A red circle with the number "5" highlights the "colors" property, which is set to "3".

1) Indica el componente agregado en la vista de árbol.

The screenshot displays the Microsoft Power Apps editor interface for a canvas application named "HelpDesk 2021- Copia-Componentes". The top navigation bar includes a search field, user information, and various utility icons. Below the navigation bar, a toolbar contains actions like "Atrás", "Insertar", "Agregar datos", "Nueva pantalla", "Tema", and "Configuración".

The main workspace shows a dashboard layout with several components: a "Back" button, a "HelpDesk" logo, a user profile "Naly Darry", a "Dashboard" section with status counts (OPEN: 5, CANCELLED: 2, IN PROCESS: 3, CLOSED: 5), a "My Ticket by Status" pie chart, a "Pending Ticket" table, an "Assigned to me by Status" pie chart, and an "Assigned to me by Category" bar chart. A red circle with the number "2" highlights a "Tips to fix errors" component on the dashboard.

On the left, the "Vista de árbol" (Tree View) is open, showing a hierarchy of components. Under the "Componentes" tab, an accordion component named "Accordion1_2" is highlighted with a red circle and the number "1".

On the right, the "Propiedades" (Properties) pane is visible for the selected "Accordion1_2" component. It shows properties such as "txtTitle" (set to "Tips to fix errors"), "txtDescription" (set to a placeholder text), and "colors" (set to 3). A red circle with the number "3" highlights the "txtTitle" property, and another red circle with the number "4" highlights the "txtDescription" property. A red circle with the number "5" highlights the "colors" property.

3) Este campo indica el título del Collapse

The screenshot displays the Microsoft Power Apps editor for a HelpDesk application. The top navigation bar shows the app name "HelpDesk 2021- Copia-Componentes" and a search bar. Below the navigation bar is a toolbar with icons for navigation and editing. The left-hand pane shows a tree view of the app's structure, including a "Vista de árbol" section with "Pantallas" and "Componentes" sub-sections. The central canvas shows a dashboard with several components: a "Back" button, a "Dashboard" section with status counts (OPEN: 5, CANCELLED: 2, IN PROCESS: 3, CLOSED: 5), a "My Ticket by Status" pie chart, a "Pending Ticket" table, an "Assigned to me by Status" pie chart, and an "Assigned to me by Category" bar chart. A text box with the title "Tips to fix errors" is highlighted with a red circle 2. The right-hand pane shows the properties for the selected "Accordion1_2" control. The "Propiedades" section is expanded, showing the "txtTitle" property set to "Tips to fix errors" (highlighted with a red circle 3), the "txtDescription" property set to a placeholder text (highlighted with a red circle 4), and the "colors" property set to 3 (highlighted with a red circle 5). The "Posición" and "Tamaño" properties are also visible, with X and Y coordinates and width and height values. The "Visible" property is set to "Activado". The "Modo de presentación" is set to "Editar". The "Índice de tabulación" is set to 0. The "Información sobre h..." property is set to "CollapseBasic".

5) Este campo indica el color del collapse, 1 es gris, 2 es azul, 3 es rojo, 4 es verde, 5 es morado, 6 es naranja, 7 es amarillo y 8 es negro.

The screenshot shows the Microsoft Power Apps editor interface for a HelpDesk dashboard. The interface includes a top navigation bar, a left-hand tree view, a central canvas, and a right-hand properties pane.

Tree View (Left): Shows a hierarchy of components under 'Pantallas' (Screens). The 'Accordion1_2' component is highlighted with a red circle labeled '1'.

Canvas (Center): Displays a dashboard with several cards. A card titled 'Tips to fix errors' is highlighted with a red circle labeled '2'. The card contains a lightbulb icon and the text 'Tips to fix errors'.

Properties Pane (Right): Shows the properties for the selected 'Accordion1_2' component. The 'Propiedades' (Properties) tab is active. The following properties are highlighted with red circles:

- 3:** 'txtTitle' property, set to 'Tips to fix errors'.
- 4:** 'txtDescription' property, set to 'Sed ut perspiciatis unde omnis iste natus error sit voluptatem accusantium doloremque'.
- 5:** 'colors' property, set to '3'.

The 'Posición' (Position) property shows X: 966 and Y: 263. The 'Tamaño' (Size) property shows Ancho (Width): 370 and Alto (Height): 81. The 'Visible' property is set to 'Activado' (Activated). The 'Modo de presentación' (Presentation mode) is set to 'Editar' (Edit). The 'Índice de tabulación' (Tab index) is set to 0. The 'Información sobre h...' (Information about h...) property is set to 'CollapseBasic'.
