

## ¿Cómo usar el Fondo dinámico en Power Apps?

- Manual técnico
- Creado por Neiy Darry
- Encuentra componentes gratuitos: [Presionando aquí](#)
- Descarga plantillas Power Apps: [Presionado aquí](#)

A continuación se explicara cada uno de los ítems enumerados que se encuentra en la imagen

The image shows the Microsoft Power Apps designer interface. At the top, there is a header bar with "Power Apps | TemplateLoginv4-1", a search bar, and user information "Entorno devcolombia (default)". Below the header is a navigation bar with options like "Atrás", "Insertar", "Agregar datos", "Nueva pantalla", "Tema", and "Configuración".

The main workspace displays a login form centered on a purple gradient background. The form includes a "Sign In" header, a profile picture, "Username" and "Password" input fields, a "Login" button, and a "Sign up now" link. A red circle with the number "2" is placed at the top-left corner of the background area.

On the left side, the "Vista de árbol" (Tree View) shows the app structure. A red box highlights the "AnimateBackgroundPurple1" control under the "ContainerForm\_5" component, with a red circle and the number "1" next to it. Below the tree view are color selection options: Green, Blue, Black, Red, and Grey.

On the right side, the "CONTROLES" (Controls) pane is open for "AnimateBackgroundPurple1". It shows the "Propiedades" (Properties) tab with the following settings:

- Property\_Display\_Key: Sin valor
- Posición: X=0, Y=0
- Tamaño: Ancho=1366, Alto=768
- Visible: Activado (toggle switch)
- Modo de presentación: Editar
- Índice de tabulación: 0
- Información sobre h...: AnimateBackgroundPurpl e description

At the bottom of the workspace, there is a zoom level indicator set to 40%.

1) Agregue el componente a su App, después de agregarlo podrá verlo en la vista de árbol.

The screenshot displays the Microsoft Power Apps development environment. At the top, the header shows 'Power Apps | TemplateLogin4-1' and a search bar. Below the header is a navigation bar with options like 'Atrás', 'Insertar', 'Agregar datos', 'Nueva pantalla', 'Tema', and 'Configuración'. The main workspace is divided into three sections:

- Vista de árbol (Tree View):** Located on the left, it shows the app's structure. Under 'Pantallas' (Screens), there is a 'Componentes' (Components) section. A red box highlights the component 'AnimateBackgroundPurple1', which is marked with a red circle containing the number '1'. Other components listed include 'Green', 'Blue', 'Black', 'Red', and 'Grey'.
- Canvas:** The central area shows a 'Sign In' form with fields for 'Username' and 'Password', and a 'Login' button. A red circle with the number '2' is positioned at the top-left corner of the canvas, indicating the location of the highlighted component.
- CONTROLES (Controls) Pane:** Located on the right, it displays the properties for the selected 'AnimateBackgroundPurple1' component. The 'Propiedades' (Properties) tab is active, showing fields for 'Property\_Display\_Key', 'Posición' (Position) with X and Y coordinates, 'Tamaño' (Size) with Ancho (Width) and Alto (Height), 'Visible' (set to 'Activado'), 'Modo de presentación' (Presentation Mode), and 'Índice de tabulación' (TabIndex).

2) Luego que el componente este en la pantalla, entonces podrá ver la animación, expanda el componente por toda la pantalla, y tenga en cuenta enviar al fondo el componente para que se pueda ver como un fondo.

The screenshot displays the Microsoft Power Apps designer interface for a template named "TemplateLoginv4-1". The top navigation bar includes a search bar with the text "Buscar" and the user's environment "Entorno devcolombia (default)". The main workspace shows a central "Sign In" form component with fields for "Username" and "Password", and a "Login" button. This form is centered on a purple gradient background. A red circle with the number "2" is placed at the top-left corner of the background, indicating the next step in the process. On the left side, the "Vista de árbol" (Tree View) shows the component hierarchy: "Pantallas" (Screens) > "Componentes" (Components) > "App" > "Purpure" > "ContainerForm\_5" > "AnimateBackgroundPurple1". The "AnimateBackgroundPurple1" component is highlighted with a red box and a red circle with the number "1". On the right side, the "CONTROLES" (Controls) pane shows the properties for the selected "AnimateBackgroundPurple1" component. The "Propiedades" (Properties) tab is active, showing fields for "Property\_Display\_Key" (Sin valor), "Posición" (X: 0, Y: 0), "Tamaño" (Ancho: 1366, Alto: 768), "Visible" (Activado), "Modo de presentación" (Editar), and "Índice de tabulación" (0). The bottom status bar shows the current screen "Purpure" and the component "AnimateBackgro...", along with a zoom level of 40%.
