

EmpowerMENT, by Dr. Adam Anthony TM

Leadership Strategist | Educator | Adoptee | Founder

Belong. Lead. Thrive.

EmpowerMENT partners with educational, community, and social impact organizations committed to ensuring boys and young men of color with foster care/adoption backgrounds are seen, supported, and equipped to lead.

Founded by Dr. Adam Anthony, a same-race Black adoptee and Doctor of Education in Leadership, EmpowerMENT bridges lived experience with research-based frameworks to help institutions move from awareness to implementation.

Signature Keynotes & Workshops

THEY ARE NOT INVISIBLE™

Understanding the inner world of fostered/adopted boys

Leading with Story: Faith, Focus & Flourishing

Translating lived experience into leadership influence

Belonging as Leadership

Identity, culture, and trust through foster & adoption experiences

Educational Resiliency for Male Students & Professionals of Color

Mentorship, self-efficacy, and strength-based systems

i Participants leave with practical mentorship tools, belonging-centered frameworks, and clear next steps for organizational impact.

Beyond the Talk: Strategic Partnership

For organizations seeking deeper engagement opportunities:

- Mentorship framework design
- Inclusion & belonging strategy consulting
- 1:1 coaching for foster/adopted young adults (18-23)
- 1:1 mentoring for foster/adopted youth (*inquire for more details*)

Every engagement begins with a 30-minute consultation to clarify goals and alignment.
