CBT for Those at Risk of a First Episode Psychosis: Evidence-based psychotherapy for people with an 'At Risk Mental State' is my first book that I read. This is a wonderful CBT for Those at Risk of a First Episode Psychosis: Evidence-based psychotherapy for people with an 'At Risk Mental State' I ever had. It makes a wonderful experience at the beginning when I get used to using my spare time to read books. You also have to feel this wonderful experience.
