

EINFAHRTSHÖHE 2,05 M

A photograph of a tunnel entrance. A white sign with red text is mounted on the wall above the entrance, indicating a height of 2.05 meters. The tunnel interior is dark and appears to be a drainage system, with a large, circular, corrugated metal grate on the floor. The walls are dark and show some graffiti. A black rectangular redaction is visible on the right wall. The foreground shows a concrete curb with some green moss or algae.
